

What's Covered?

Veltora Health & Dental Individual and Family Plans | Schedule of Benefits

Definitions

Anniversary year: each 12-month period starting on your policy's effective date. Annual maximums reset at the start of each anniversary year.

Benefit period: for vision benefits, the period that starts on the date of the first claim paid.

Reimbursement percentage: the share of an eligible expense we pay. You pay the rest.

Waiting period: how long a person must be continuously covered before a benefit becomes payable.

Each covered person on the plan receives the benefits below. Maximums and frequency limits apply per covered person unless stated otherwise.

Waiting periods at a glance

Major dental (Plus, Complete): 12 months. Orthodontics (Complete): 24 months. Hospital accommodation for pregnancy or childbirth (Plus, Complete): 12 months. When you upgrade, a new waiting period applies only to the added or increased portion of these benefits. See Sections 3.2 and 6.7 of your policy.

Changing plans

You can upgrade at any time (an upgrade to Complete may require health questions). You can downgrade after 12 consecutive months on your current plan. Changes take effect on your next billing date, and amounts already claimed in the anniversary year count toward the new plan's maximums. See Sections 6.7 and 6.8 of your policy.
